Principal's Message

Hello, Marlborough Families,

We hope that everyone is staying healthy and safe with your families. We wanted to share the some of the good things that have been happening at school, as well as highlight upcoming dates with you. Please continue to check our website (www.marlborough.burnabyschools.ca) regularly for updates and important information.

As always, please feel free to reach out to us if you have any questions.

K. Floyd & S. Rawnsley

Huskies showing ways to be kind for World Kindness!

Division 6 is making an effort to recognize and acknowledge acts of kindness around our school on a day to day basis. Students love coming in at the beginning of the day or after recess/lunch and adding what they've observed to our string of lights. Let's work together to keep on spreading kindness!

INTERIM PROGRESS REPORTS

All attending students should have received an interim report either electronically or paper copy sent home. If you have any questions or concerns about your child's progress please contact your child's teacher by email.

INCLEMENT WEATHER

As the rainy season continues and winter approaches, we would like to remind parents to ensure that their child is dressed appropriately for spending recess and the lunch hour outside. Playing outside is enjoyable when children are dressed properly. In the winter the best is to stay warm and dry. Please ensure that your child is dressed appropriately, has the proper outdoor footwear (rubber boots), and proper outer wear (waterproof jackets, gloves, toques). We only have children stay in when it rains heavily. You may want to send an extra change of clothes to school, just in case your child gets wet. In the event of school closures, please consult the school district website for updates at www.burnabyschools.ca

REMEMBRANCE DAY

Our Remembrance Day Assembly was held virtually on Tuesday, November 10th. Students shared readings around Remembrance Day and performed beautiful songs about peace. Thank you, Ms. Hicks for performing the Last Post on your trumpet. And a special thank you to our Music team for creating such a lovely memorable Remembrance Day program for our school.

PAC General Meeting tonight on November 30th at 6:30pm on Zoom

PROFESSIONAL DAY

On Friday, November 27th, the Marlborough staff participated in our third professional day for this school year. A very informative and productive day was spent on our school's Annual Indigenous Education Plan. Teachers focused on the *Importance of Land – creating personal land acknowledgements.*

Marlborough Spirit Week

December 14-18 (organized by Div 1)

Division 1 is planning a Spirit Week, full of fun activities each day. This list will consist of all of the different days this week will contain.

Monday 14	Tuesday 15	Wednesday 16	Thursday 17	Friday 18
Awareness ribbon day	PJ day	Matching day	Marlborough spirit day	Bingo

Monday December 14 will be Awareness Ribbon Day

Teachers will be asked to create an activity that the whole class will participate in to contribute to awareness for different diseases and causes.

Tuesday, December 15 will be Pyjama Day

Join the fun, wear your PJs, robes, slippers and fuzzy socks!

December 15 is school-wide PJ day, wear your pyjamas, robes, slipper or simply wear your comfiest clothing! There will be no stuffed animals this year due to COVID-19, but still wear your fun coloured PJs and your fuzzy, fluffy socks and embrace the school spirit

Wednesday, December 16 will be Matching Day

Make it fun and match with others. Why not also confuse your teachers by matching?

December 16 will be Matching Day, where you can match with one person or a whole group of people! Wear the same colored shirt, pants or even the same socks!

Thursday, December 17 will be Marlborough Spirit Day

Let's show how much we adore our beloved school!

On Thursday, we will be showing our school spirit! We ask for students to wear anything that's either blue or black, or involving a husky or dog. For example, the grade 7s will probably be wearing their grad hoodies!

Friday, December 18 will be bingo

On Friday, we will be doing an online school bingo! Parents do not need to prepare anything for this, but the students should be aware, the teachers will connect their computers onto a zoom video call, and the host will be Division 1, who will call out the numbers.
