Scholastic Book Fair

The Scholastic Book Fair starts next week! Thank you to our many parents and our PAC Executive for their work in setting up and running the book fair as it takes a lot of time and energy to organise and run a book fair for 914 students. A special thank you goes to Mr. J. Lowe for his leadership role. The book fair will be held in the East gym on Monday, April 18th, Tuesday, April 19th and Wednesday, April 20th at lunch starting at 12:15 – 12:45 p.m. and again after school until 3:30 p.m. The book fair is open at lunch on Thursday, April 21st. There is a special book just waiting for you at the Annual Scholastic Book Fair!

Burnaby Parks and Recreation

Burnaby Parks and Recreation is starting to think about the fall! What programs would you like to have offered at Marlborough after school next year? Here is a link to the online survey: <https://www.burnaby.ca/Things-To-Do/Be-Active-Programs/Programs-for-Everyone/After-School-Programs/Afterschool-Survey--Southwest.html> Share your thoughts and ideas!

Track Meet

Thank you parents for driving our athletes back and forth to Swangard Stadium for the practice meets. On May 5, 2016, our athletes will race against the students from the other “big” schools in Burnaby. I look forward to seeing our students shine! If you can, please come and cheer us on! Thank you again to our coaches for their time and dedication to our track program.

Road Construction

Reminder about the road construction that will begin next week on Dover Street. For the safety of your children and you, please use the Arrow Street access just off Royal Oak to drop off your children and/or park your car. Be safe.

Professional Days April 25th and April 26th

Monday, April 25th and Tuesday, April 26, 2016 are Professional Days and the school will be closed on both those days.

Best Wishes
Shelley Parks

The Burnaby Festival of Learning, May 1-7, 2016, is a week-long celebration with 50+ free events to engage children, families, young adults and seniors alike. Capping SFU's 50th Anniversary, the Festival will showcase performances, lectures, discussions, debates and book launches to connect the University's strong history of research and dialogue with the City's diversity in community programming.

Activities designed to inform, engage and spark conversations will be held at libraries, museums, galleries, parks, community centres and at the Simon Fraser University Burnaby campus. It all kicks off on Sunday, May 1, from 10 am to 3 pm with the City of Burnaby's Rhodofest at Deer Lake Park (6450 Deer Lake Ave). It will finish up on Saturday, May 7 from 11 am - 3 pm at SFU's Science Rendezvous on the Burnaby campus (8888 University Drive).
