Principal: Mme Floyd

June 2020

Vice Principal: Ms. Rawnsley

Acting Head Teachers: Ms Cummings

Mme Dare

## *Principal's Message:*

*It is hard to believe that another school year has quickly come to a close.*

*I'd like to take this opportunity to thank the parents and other family members of our community for your support and involvement in our school. Thank you for driving to and from sporting events, for accompanying our students on field trips, for attending monthly PAC meetings, monthly assemblies, volunteering at the Pumpkin Patch and Pancake Breakfast. We appreciate your support and involvement in all aspects of your child's education. It is the partnership among the school, parents and students that make the learning journey a rich one.*

*Thank you also to the members of our PAC Executive & Parent Advisory Council. who continue to be a tremendous support in our community in so many ways. With their support, we have had donations to classroom supplies, classroom outdoor equipment and field trips. Thank you for all of your hard work, many volunteer hours and commitment to providing Marlborough students with a wonderful school experience and for helping us keep our Marlborough traditions alive and well.*

*I would like to especially thank all of you for entrusting us with your children during this very unique time in your child's education. It has been a real challenge trying to ensure that all our Marlborough students were connected to their teachers and school either remotely or in-person. We couldn't have gotten through this term without all of your support and well-wishes. It is the partnership among the school, parents and students that make the learning journey a rich one and this year will be one that none of us will ever forget.*

*To our grade 7s, we wish you luck as you continue your learning journey at high school next year. Remember, there is something special about each one of you and you have all been gifted with the ability to make a difference everywhere you go. Félicitations!*

*On behalf of the Marlborough staff, I wish you a fun-filled, safe and relaxing summer with your children. Everyone is looking forward to seeing all of you back at Marlborough in September.*

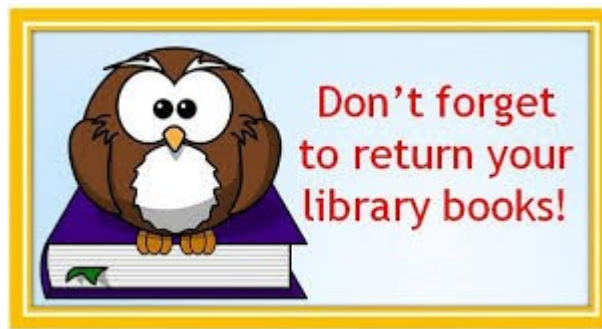

*Karen Floyd*

*Principal*

# ♥ Welcome to Kindergarten

Welcome to Marlborough! The grad class of 2033 will not forget their start to school! They were welcomed by their Kindergarten teachers through a postcard and then a video introducing everyone they will meet next fall. If you have not been receiving emails, please contact the office (604-296-9021) to confirm your contact information. We are planning for their gradual entry as per usual and will communicate with families in August, as soon as the plan is confirmed. New Kindergarten students do not attend the first day, Tuesday, September 8th. Please keep checking your email and our website for more information at the end of August. We're excited to meet the newest members of our Marlborough community!

## Report Cards, and Address Changes

If you didn't receive your child's report card during the last week of June, you may call the West Office 604.296.9021 to arrange for pick up during the 1st week of July and the last week of August.

If you will be moving or will not be attending Ecole Marlborough in September, please advise the office. The information is helpful for school planning and will ensure the child's education file is ready to be transferred to the appropriate school in September.

On behalf of the gr.7 students and teachers, we'd like to extend a huge thank you to the Gr. 7 Parent Committee who fundraised way back in the fall and were able to put together a memorable gift for every grade 7 student in our school. Thank you so much parents and Congratulations Class of 2020!

Thanks for your generosity Gr 7 parents, Congratulations Class of 2020!

### PAC News – Thinking Ahead

PAC will be serving coffee on the first morning of school, Tuesday, September 8<sup>th</sup>, 2020.

Come and have a coffee and tell us all about your summer vacation.

Look for us in the courtyard area around 8:45-10:00 am.

Back to School on Tuesday,

2020

September 8th,

At 8:55 a.m. all Grade 1-7 students will meet their last year's teacher at their last year's classroom.

## Staff Goodbyes....

Unfortunately, at the end of every school year we need to say farewell to some of our treasured Marlborough staff members.

Mme Maitland, Kindergarten French Immersion teacher, is moving to Confederation Park Elementary next fall to pursue her passion for teaching the Arts.

Ms Kuban, Intermediate Music teacher, is hoping to find a full-time Music position in Burnaby.

Ms Hamer-Jackson, Noon Hour Supervisor, is moving to Brantford Elementary in September.

The Staff and Students thank them for their hard work and dedication. They have each contributed to our school community in so many ways and we wish them the best of luck next year in their new positions. We hope they take many fond memories of Ecole Marlborough Elementary with them!

# MAD SCIENCE

## 2020 SUMMER CAMPS

Mad Science is the leading provider of fun science programs for elementary aged children. Our mission is to spark the imagination and curiosity of children everywhere, by providing them with fun, interactive and educational activities that instill a clearer understanding of science and how it affects the world around us. Due to the pandemic, Mad Science of Greater Vancouver & Interior will be holding various summer camps online this summer! Camp Schedule & Themes below:
