On Wednesday, October 28th our West Field was magically transformed into a farmer's dream full of orange pumpkins and scarecrows! Thank you to our Marlborough PAC for purchasing a pumpkin for every one of our Marlborough Huskies.

Marlborough Students are Learning to Stay Safe!

Our first of two Earthquake Drills this year took place on Thursday, October 15th. We practiced our Inside Earthquake Drill as part of the *Great BC Shakeout Day*. Our next earthquake drill will be an outside evacuation drill later this year.

BC STUDENT VOTE

Many Marlborough students casted their ballots in the BC Student Vote on October 22nd. They joined the 85,000 students from 735 schools, representing all 87 electoral districts throughout the province. Interestingly, in the Student Vote results, the NDP won a majority government with 59 seats. The Green Party forms the official opposition with 16 seats. The Liberal Party wins 12 seats. The Conservative Party and Christian Heritage Party each win 1 seat. What a great way to be involved in BC Politics!
