

WIZE

Computing Academy

ÉCOLE MARLBOROUGH ELEMENTARY
BURNABY SCHOOL DISTRICT

Afterschool Coding & Robotics Classes

PROGRAMS

- **3D Modeling, Design & Printing
(Grades 2 - 6)**

Scheduled days: Wednesday

Scheduled dates: April 29; May 6, 13, 20, 27; June 3, 10, 17

Timings: 3:00 PM to 4:30 PM

Price: \$300 + taxes

Our curriculum at Wize Computing Academy offers an exciting opportunity for young learners to dive into the realm of creativity, innovation, and technology. In this program, children will embark on a hands-on journey, exploring the art of 3D modeling, designing intricate objects, and bringing their imaginations to life through the magic of 3D printing. By immersing themselves in this dynamic learning experience, kids not only develop essential STEM skills but also foster their problem-solving abilities and enhance their creativity. Through engaging projects and challenges, they will learn the principles of design thinking and gain the necessary skills for the future.
